

**Special Symposium
Commemorating the 25th Anniversary
of Keio Academy of New York**

Keio Academy of New York, the sole overseas affiliated school of Keio Gijuku, has earned a reputation for its unique and distinctive educational programs and activities, and will celebrate its 25th anniversary this upcoming autumn.

Keio University as a whole is currently undertaking various ambitious initiatives with the aim to develop further as a truly global, leading academic and research institution, and Keio holds high expectations for the Academy to play an active part as its international base.

This makes it the perfect opportunity for a symposium that addresses the issue of the globalization of integrated education at Keio's affiliated schools and the role which Keio Academy of New York should play.

We look forward to your participation in this event.
